REFERENCE: AMENDED APRIL MONTHLY REPORT (03/01/2015-03/31/2015)

Dear Ms. Benitz,

This statement is in response to the Commission's letter dated May 26, 2015. The Commission requested additional information regarding two items.

First, regarding limited payments for administrative expenses, the Committee will amend its February, March, April, and May monthly reports to include debts for rent that were mistakenly omitted due to a recent staff transition. Cash on hand is not affected. The debt was paid in May and will be reflected on the Committee's June Monthly report.

Second, the Commission requested clarification regarding transfers from the non-federal account for allocated federal/non-federal activity. Please note that it appears the RFAI neglects to take into account the non-federal share of allocated activity reflected on the Committee's 2014 Year End report in its analysis. Upon review by the Committee, it appears that the Committee transferred the proper amounts within the proper timeframes. On the March Monthly, the Committee's transfer of \$35,910.67 was mistakenly reported with a date of 2/4/15. The transfer was made on 2/2/15 and this will be reflected on the Amended report.

Please do not hesitate to contact us if you need further information.

Sincerely,
Illinois Republican Party
